Students and Parents,

Barrow County and Apalachee believe that all students have the ability to further their education after high school, and achieve their dreams. One way to enter the college of choice is to have great SAT/ACT scores, along with a strong transcript. Khan Academy is a free online tool available to all students for SAT preparation. The research shows that 20 hours spent on the SAT review class on Khan Academy can increase student scores as much as 115 points.

In an effort to provide students with the resources they need to be successful on the SAT, we are asking that all 10th and 11th graders participate in our online intervention and preparatory tool, Khan Academy. A documentation log will be available on the Apalachee website under the “Students” tab. Students who log 20 or more hours on Khan Academy and have parents verify through the documentation log will be eligible for a celebratory pizza during their lunch period on May 15th. Students must turn in the documentation log to the front office and receive their pizza ticket no later than Friday, May 10th.

To access the Khan Academy SAT prep class follow the steps below:

1. Khan Academy URL: <https://www.khanacademy.org/>
2. Choose “Learners Start Here”
3. Scroll down to “Test Prep” and choose “SAT”
4. Choose any of the four links and begin

If you have any questions please contact your counselor for further information.

Thanks,

The Apalachee Team
