

Sample Programs of Study

Students are able to earn up to **30 hours** of college credit through the dual enrollment program prior to their high school graduation. This could result in students entering their first year of college as a sophomore! Below are two sample programs of study that will help students and parents plan their courses in a way that maximizes their benefit.

Sample Plan for Students Beginning their JUNIOR Year

	Fall Semester	Spring Semester
Year 1	<p>ENGL 1101 Composition and Rhetoric</p> <p>BIOL 1111 / BIOL 1111 Lab Biology</p> <p><i>2 classes; 7 college credit hours</i></p>	<p>HIST 2111 US History I</p> <p>ENGL 2130 American Literature</p> <p><i>2 classes; 6 college credit hours</i></p>
