Parents can go online, prior to their school's registration day, to Registration Gateway at <https://registration.barrow.k12.ga.us> to Pre-register their kindergarten child. Pre-registration can take place anywhere you have internet access, and at any time. Once the pre-registration process is complete, parents/guardians will need to bring their child for concept screening and the following documents to registration, where your child will receive an enrollment for school:

1. **Current proof of residency** (dated within 30 days) such as a utility bill (electric, gas, water, cable/satellite, garbage or house phone), settlement statement or rental/lease agreement,
2. **Student's birth certificate** (or legible copy of the Birth Certificate), or other acceptable proof of age and identity.
3. A copy of the enrolling **student's Social Security card** (*which is used solely for the purposes of identification and for application for the Hope scholarship and other post-secondary applications*). Parents have the option of signing a waiver stating that they do not wish at the time of enrollment to provide a Social Security number.
4. **Updated Georgia immunization form 3231**, and
5. **New health form 3300**- The Georgia Department of Public Health requires the completion of the 3300 health form which includes vision, hearing, dental and nutrition screenings, and must be presented to school authorities when a child is being admitted for the first time in a Georgia public school. These forms are available online and from your Doctor or Health Department.

Parents are welcome and encouraged to turn in the required documents at any time to complete the enrollment process, however, parents should bring their child to be screened on the dates provided. Please visit our main website at www.barrow.k12.ga.us for required documents and more information. If you have any questions, please contact the registration department at 770-867-4527 or your local school.

We allow for a range of documents to demonstrate age, residency, identity and immunization status; exceptions will be made where appropriate; and no document will be required that would cause or result in discrimination based on race, color, national origin or immunization status.
