We believe that a quality school system

• Provides a world class education in a safe and caring environment which assures each student’s success.

• Enhances individual student achievement through real-world experiences and active learning.

• Challenges students to exceed local, state, and national academic standards.

• Nurtures the total well-being, independence, creativity, and talents of each student enabling them to be postsecondary and/or workforce ready.

• Motivates students to develop exceptional critical thinking, reasoning, problem-solving and communication skills.

• Prepares students to be technologically literate.

• Develops continuous, collaborative relationships with students, parents, business partners, mentors and other community members.

• Respects diversity and promotes cultural understanding among all students and employees in every environment while supporting hometown values.

• Expects all school system employees to recognize that they are a major influence on our students.
