Boldly Committed to Student Success

Fall Title I School Annual Parent Meetings

Parents of students in the Barrow County School System are invited to attend Title I Annual Meetings being held at schools in the district. At this meeting, parents will learn about Title I Programs. Title I provides funding for schools to provide additional help to students in core academic areas. At these meetings, school representatives will talk about their Title I programs and be available to answer any questions you might have.

The meetings are scheduled at school locations as follows:
