Kindergarten Registration Dates

For the 2017-2018 school year

Please note: some of the Elementary and Middle School attendance zones have changed in the WBHS cluster. Please select the link <http://e-link.barrow.k12.ga.us/elinkrp2/Login.aspx> to check your attendance zone, prior to registration, or visit our website: <http://www.barrow.k12.ga.us/> for more information.

Step 1: PRE-REGISTER your child for school (<https://registration.barrow.k12.ga.us>)

You can do it online from home, no more paperwork!

Step 2: ENROLLMENT and SCREENING

Please bring all of the required documents to the Central Office on your school's scheduled registration day. **To help alleviate crowding and disperse the registrations throughout the day, if at all possible, please attend during the time period listed that corresponds to the first initial of your child's last name. This is when your child will receive an enrollment and be screened.**

(The child and the biological parent/legal guardian must be present)

OR:

If the biological parent/guardian cannot be present on the school's scheduled day then you may:

•Bring the required documents to the Central Office prior to the Kindergarten screening/registration dates above. Your child will then receive an enrollment for school. *(Your child doesn't need to be present for this part, but the biological parent/legal guardian registering does!)*

•You will also need to make sure your child attends the scheduled screening/registration day for his/her school (see above), where he/she will be screened. *(Since your child already has an enrollment, anyone can bring him/her in for screening)*

You're done!
