

Barrow County Health Department Makes Immunizations for Children A Priority!

Why Wait for School To Start?

Get your child's Immunizations or the Immunization Certificate needed for school during the special times we have set aside to make Back To School Immunizations a Priority at our health department!

Our Special Priority Times and Dates for Immunizations and Certificates are as follow:

Monday, August 4th

&

Monday August 11th

8a.m until 11 a.m. & 1 p.m. until 5 p.m.

****You may visit our health department during regular clinic hours for immunizations, but expect a longer waiting time!***

If you need just a certificate the cost may be as much as \$20. Please bring all immunization information with you if your child's immunizations were not given at Barrow County Health Department!!

***Barrow County Health Department is located at
233 E. Broad St., Winder***
