How to Register

First, if you would like to register your student for a Transfer Credit Class, please contact your child's counselor.

Once the counselor agrees to the recommendation, follow these steps to complete the online registration:

- Access www.foothillscharter.org
- Under Quick Links, click Enrollment
- In the Online Registration section, select Click Here
- You do not need a username or password, so click the icon to the right
- You do not need any of the documents listed in the "Stop! Please Read!" section
- At the bottom of the page, click Next
- When prompted, choose Transfer Credit Community as your Foothills Site

Counselors

In order to complete the Foothills application, a Counselor Recommendation Form is required. Please go to www.foothillscharter.org, click "Staff" under the flyout menu, and then "Forms." On the next screen you will see Transfer Credit Counselor Recommendation.

Once you complete the form and click submit, the form will automatically be routed to the correct person at Foothills Transfer Credit Community.
