Classroom Rules

Cell phones will not be displayed during the school day. Violations to this could require phone to be confiscated and held to the end of the day. Frequent violators of the School policy could result in parents picking up the phone from Cadre.

If you are late for class, you may have to do push-ups for the frequent offenders. School policy will handle repeat offenders. Tardiness impacts your ability to be prepared when class starts.

Get water and use the restroom before class begins. Frequent abuse of leaving class to go to the restroom without a medical explanation could have an impact on your participation/performance grade.

Grades

Uniform Wear – You are graded on properly wearing the complete uniform all day. If you don't wear the uniform, you may be required to wear it the next school day.

Student leadership will inspect and grade you based on correct uniform wear and general knowledge.
