### ***Let Me Ride***

*Why don't you swing down, chariot, stop and let me ride.*

*Swing down chariot, stop and let me ride.*

*Rock me, Lord. Rock me, Lord, nice and easy;*

*I've got a home on the other side*

*Well, Ezekiel went out in the middle of the field.*

*He said he saw an angel with a chariot wheel.*

*'Twas nothin' too particular about that wheel.*

*He just wanted to see how a chariot feel.*

*Chorus*

*Well, Ezekiel went down and he got on board,*

*The chariot went bumpin' up and down that road.*

*'Twas nothin' too particular 'bout bumpin' down that road.*

*He just wanted to lay down his heavy load.*

*Chorus*

### ***Africa***

*I hear the drums echoing tonight*

*But she hears only whispers of some quiet conversation*

*She's coming in, 12:30 flight*

*The moonlit wings reflect the stars that guide me towards salvation*

*I stopped an old man along the way*

*Hoping to find some old forgotten words or ancient melodies*

*He turned to me as if to say, "Hurry boy, it's waiting there for you"*

*It's gonna take a lot to drag me away from you*

*There's nothing that a hundred men or more could ever do*

*I bless the rains down in Africa*

*Gonna take some time to do the things we never had (ooh, ooh)*

*The wild dogs cry out in the night*

*As they grow restless, longing for some solitary company*

*I know that I must do what's right*

*As sure as Kilimanjaro rises like Olympus above the Serengeti*

*I seek to cure what's deep inside, frightened of this thing that I've become*

**CHORUS**

*It's gonna take a lot to drag me away from you*

*There's nothing that a hundred men or more could ever do*

*I bless the rains down in Africa*

*Gonna take some time to do the things we never had (ooh, ooh)*
