

Dear Kennedy Dragon Families,

To be honest with you, this has been the craziest end to a school year EVER! THANK you so much for your patience, perseverance, and positive outlook during our school's closing! We are happy to announce our plan for bringing closure to our school year. On June 3<sup>rd</sup>, you will be able to **collect your child's personal belongings and return library books all from the safety of your vehicle. If we have yearbooks by then we will also be giving these to you as well. (We have not been given a definite delivery date on yearbooks yet)**

If you have a school-issued Chromebook and you will not be returning to Kennedy next year, please plan to return the device and charging cord during this visit. Fifth graders will need to return these devices as well. Per the contract agreement you signed, if the Chromebook is damaged, you will be charged \$200.00 so we can replace this device (checks payable to Barrow County Schools).

**Specifics:**

- Student belongings will be organized in alphabetical order in the main hallway or gym depending on grade level.
- Teachers will be wearing masks and gloves
- Parents with multiple kids will have to come to their assigned times unless they can work it out with ALL the teacher prior to make sure everything is in 1 place
- If parents cannot make pick up time - option is to pick up during Open House.

**Logistics:**

- Parents will come through the car rider line or the bus lane (depending on location) for pick up.
- Parents will not get out of their vehicles.
- Parents should have their child's name and homeroom teacher listed very large on a sheet of paper and placed on the dash board.
- Have any library books or other school-owned items in a bag. Please have it in the trunk or backseat and have the door unlocked. The teacher will exchange the stuff left at school with the books and/or other school-owned items and close the door/trunk. If you have a chromebook that needs to be returned as well, please have it with the other items. Per the contract agreement you signed, if the Chromebook is damaged, you will be charged \$200.00 so we can replace this device (checks payable to Barrow County Schools).
- If you have multiple children in multiple grades, please ask the teachers to arrange to have it adjusted prior to June 1 so you only have 1 time to come to the school for pick-up. We cannot guarantee to arrange all of these though.

If you have any questions, please contact your teacher via email or remind or you can contact Mr. Butcher as well.

Thanks again for your patience and support during this crazy time. We really appreciate all you have done.

Ryan Butcher  
Principal  
Kennedy Elementary School
