# What do Colleges Consider?

- High factors: GPA and Grades, Rigor and Classes
  - SAT/ACT Scores
    - Normally a direct factor, during the pandemic schools have discussed eliminating scores from their decisions - check your school's info
- Other factors:
  - Essays and personal statements
  - Recommendations
  - Activities and accomplishments
  - Student demonstrated interest
  - Class rank
  - Interviews

# Building a College List

- Consider the following:
  - Campus size/student population
  - Location: City, suburban, rural
  - Cost: Tuition, Financial Aid, Scholarships
  - Programs & Majors Offered
  - On-campus activities: Greek life, sports, intramurals/club sports

# Deciding to Apply

- Safety schools: 1 to 2
  - Student will almost certainly be admitted
- Match schools: 3 to 4
  - Student's GPA, test scores, other credentials "match" those of recent entering classes
- Reach schools: 1 to 2
  - Student meets criteria for admission but credentials are below those of recent classes
- See “WBHS Post-Secondary Handbook” under “Seniors” tab on the school website for more admissions information
